AT NATIONAL ABLE NETWORK, OUR MISSION IS TO HELP MAKE CAREERS HAPPEN.

Each day, we strengthen local and national economies by connecting businesses and qualified job candidates. National Able Network is the nation’s leading provider of workforce solutions for job seekers, businesses and non-profits.

Clients received **19%** average increase in annual wages

**85%** launch new careers with workforce services

**75,000** job seekers served each year

**1,500** mature workers served in 5 states each year

**400** military veterans receive civilian career training each year

For every **$1** contributed, **$5.95** is put back into the local economy
