INFORMATION TECHNOLOGY CAREER TRAINING REINVENTED

Our accelerated training format is designed to help students transition from the classroom into careers. IT Career Lab blends classroom instruction, online coursework and live practicum in a state-of-the-art lab as part of its pioneering instructional approach. IT Career Lab offers small class sizes, a direct link to the job market and a personal laptop computer for students to keep.

OUR COMMITMENT

At IT Career Lab, we help talented individuals build long-term careers in the information technology industry. Our career coaches and instructors support students from goal development to goal achievement.

CAREER PLACEMENT

From job training to job placement, IT Career Lab offers it all in one package. Students receive our nationally-recognized Job Readiness Training and connections to hiring opportunities.

HANDS-ON LEARNING

Our students don’t just receive technology training – they experience it. In the classroom, online and in our state-of-the-art lab, students build skills and professional qualifications through our blended approach.
CISCO CERTIFIED NETWORK ASSOCIATE (CCNA)

ABOUT
The Cisco Certified Network Associate (CCNA) certification program helps network engineers maximize investment in foundational networking knowledge and increase the value of your employer's network.
