When asked what advice he would give to job seekers interested in The Partnership's IT Sector Center's services, Daniel A. said, "It was nerve-wracking and brain wrecking, but overall it was fun! As long as you have computer knowledge and a basic interest, there's a lot of branching out that can be done in technology!"

"Through ongoing communication and understanding our ever-evolving IT environment's needs and goals, National Able Network has become a proactive and trusted partner in helping us grow the technology field."

— JASON OKROY,
SALUTE, INC.
