WORKFORCE IMPACT AWARDS

We invite you to join us on November 5 to celebrate National Able Network's impact in the workforce community at our inaugural Workforce Impact Awards. You and your guests will enjoy an evening of hors d'oeuvres and food stations, cocktails, networking, and connecting with fellow workforce supporters to honor those who embody National Able's mission.

We will honor a company, community partner, and program participant who exemplify the belief that everyone should have the opportunity to see their potential for growth and success, and be empowered to learn, earn and thrive!

National Able is a connector...of people, of talents, of companies, of jobs, and of opportunities. We hope you will be a part of this connection to help people grow and succeed by being a sponsor at one of the levels on the next page.

Please contact Alicia Alexander, Director of Development at aalexander@nationalable.org or 708.253.7093 with questions.
